

GAMBRINUS ESB PALE MALT

Our 'Extra Special British' Pale malt is malted for brewers seeking the unique flavour imparted by British Pale Malt. Gambrinus has modified its malting process to give you a distinctive malt traditionally found only on the British Isles.

As you'd expect from the name, our ESB Pale Malt is ideal for authentic English-style bitter, pale ale, and IPA. With its robust bread, cereal, caramel, grain, honey, and nutty flavors, it also makes a great base for full-flavoured styles like Scottish ales, Imperial IPA, American strong ale, old ale, or barley wine.
