

GAMBRINUS ORGANIC PALE MALT

Our plump 2-row European-style pale ale malt is an outstanding base for any craft beer. Processed from premium Canadian 2-row barley. Gambrinus Organic Pale Malt is known for its honey and bready character with background notes of fresh barley, grain, brown sugar, green tea, and graham cracker.

Use for styles where a rich malt flavor can be shown off, or where a strong malt backbone is needed to balance other strong flavours – IPA, pale ale, brown ale, golden ale, or Scottish and Belgian ales.
